

The logo consists of a square with rounded corners. The background is a medium blue color. In the top-left corner, there is a lighter blue, abstract shape that resembles a stylized 'N' or a folded corner. Centered in the square are the letters 'NG' in a large, white, sans-serif font. The 'N' is composed of two vertical strokes and a diagonal stroke connecting them. The 'G' is a simple, rounded letter with a horizontal base.
