

The image features a bright orange square with rounded corners. In the top-left corner, there is a lighter orange, semi-transparent shape that resembles a stylized leaf or a drop. Centered within the orange square is a large, white, stylized Chinese character. The character is composed of several thick, rounded strokes. It has a horizontal top bar, a vertical stem on the right side, and a curved stroke on the left that extends downwards. The overall style is clean and modern, typical of a logo or a decorative element in a user interface.
